GREAT OPTION FOR EATING ON THE GO! PLAYERS CAN PICK UP THEIR BAGGED LUNCHES IN THE CLUBHOUSE WHEN THEY MAKE THE TURN.

Due to the ongoing pandemic, we have created this modified menu geared towards feeding golfers as they make the turn. Our main priority is to keep our staff and patrons safe and healthy. Avoiding gathering as much as possible is our hope. Please remember that the Governor's orders mandate masks in gatherings of 100 people or more. We ask that all patrons wear a mask as they enter and exit the building and when they interact with our staff. We can assure you that The 19th Hole has been following all guidelines and will continue to practice the highest standard of sanitation procedures.

Please note that pricing includes gratuity, but does not include NH Rooms + Meals Tax
